

## SPECIALTY PACKAGING, DISPLAYS & MARKETING KITS

If you can dream it, we can design it. Englander dZignPak can custom design and produce packaging and displays to perfectly fit your product, campaign, or promotion. Specialty Packaging, Displays and Marketing Kits set your brand apart in-stores and get your product off the shelf and in the customers cart.

### + SPECIALTY PACKAGING

More than just a container for your product, Specialty Packaging serves as in-store advertising, sets your brand apart on the shelf, and creates an experience for consumers when using your product.

### + SPECIALTY DISPLAYS

Your brand ambassador at the store level, Specialty Displays marry your product marketing to the needs of the retailer in innovative and unique ways. Different from tradition pallet and floor displays, custom retail displays make an impact and deliver results.

### + MARKETING KITS

Whether it's a special promotion or a co-packed gift box, Specialty Marketing Kits and Gift Boxes dress up your product and communicate your brand message.
